GENERAL INFORMATION

About Delhi

INDIA: FACT FILE

GENERAL INFORMATION

The **IETF 2025** Secretariat wishes you every success in your participation in the **IETF 2025**. To make your stay in Delhi pleasant you may find the following tips useful.

- 1.1 **Time Difference:** Indian Standard Time (IST) is the same throughout the country and is 5½ hours ahead of GMT.
- 1.2 **Monetary System:** In India, the unit of currency is the Rupee (INR) divided into 100 paisa (P). Change money with **AUTHORISED MONEY CHANGERS** (at the airport, most banks, hotels, and certain large shops) and insist on a receipt as it will help you to reconvert unused rupees into the original foreign currency at the time of departure. Avoid people on the street who offer to change your money at a temptingly higher rate of exchange.
- 1.3 **Currency Regulations:** There is no restriction in bringing in any amount of foreign currency, travellers' cheques, etc., and taking out as much as you brought in. However, if you are carrying more than US\$ 10,000 in the form of currency notes, bank notes or travellers' cheques, and/or currency notes alone more than US\$ 5,000 (or equivalent) This should be declared, on arrival, on the Currency Declaration Form (CDF), to be attested by the Customs Officer. **When remitting money to India, indicate the bank, branch, and full address. No Indian currency may be brought into or taken out of the country.**
- 1.4 **Export Regulations:** The visitor can take back all articles brought in by him. In addition, he can take out the following purchased in India; (a) Souvenirs (including Indian Silk, wool, handicrafts, etc.) without any limit; (b) gold jewellery, silverware, and jewellery with precious stones for which if the value is high or the quantity is large an advance RBI permit and export certificate should be obtained from the Customs authorities in advance of travel. In case of jewellery items, the appraisal of a renowned jewellery could be presented based on which an export certificate may be taken and declared to Customs. There are restrictions on the export of antiques and art objects more than 100 years old. In case of doubt, consult the Director, Antiquities, Archaeological Survey of India, Tilak Marg, New Delhi 110001 (Tel: +91 11 23004700). It is advisable to obtain a certificate of proof. Export of most wildlife products is prohibited or strictly regulated.
- 1.5 **Income-Tax Clearance Certificate:** You will need this at the time of departure if your stay in India exceeds 6 months. The certificate is issued by the Foreign Section of the Income Tax Office (ITO), Indraprastha Estate, New Delhi, Tel : +91 11 23378587. Observe the instructions under Currency Regulations and Changing Money (above) to facilitate its issue.

INDIA: FACT FILE

2 DELHI

Delhi is the capital city of India. It is one of India's fastest growing cities. It has sprawled over the West Bank of the river Yamuna, straddling the river. The city has two distinct parts, Old Delhi & New Delhi. Old Delhi is centered on the Red Fort built by Emperor Shah Jehan between 1636 & 1658.

Delhi covers an area of 1,484 sq. km and is at 216 Mts. above sea level. The population is over 16 million.

- 2.1. **Climate:** Delhi has an extreme climate. It is very hot in summer (April - July) and cold in winter (December - January). The average temperature can vary from 25°C to 45°C during the summer and 22°C to 5°C during the winter.
- 2.2. **Visa:** The visa must be obtained from the Indian Mission in your Country. Tourist visas are generally valid for 120 days stay in India. If planning to visit a neighbouring country such as Nepal and then re-entering India, a double/multiple entry visa should be obtained. For extending the visa apply for a letter of permission from the Ministry of Home Affairs, North Block, Central Secretariat, New Delhi, (Telephone: +91 11 23092123).
- 2.3. **Health Regulations:** A valid yellow fever certificate is mandatory for all persons (including infants) who have been, even in transit, in Africa or South America or Papua New Guinea in the last six days. The Certificate becomes valid 10 days after vaccination. India does not require immunisation against smallpox and cholera. A person arriving in India, who is required to possess a Yellow Fever Vaccination Certificate in accordance with these requirements will, **IN THE ABSENCE OF A VALID VACCINATION CERTIFICATE BE QUARANTINED FOR A PERIOD OF UPTO SIX DAYS, WITHOUT EXCEPTION.**
- 2.4. **Customs Clearance:** The Duty-Free Allowance for passengers (above 12 years of age) is INR 25,000 for Indian residents or foreigners residing in India if the stay abroad is more than 3 days (INR 4,000 for tourists of foreign origin; nil for tourists of Nepalese or Bhutanese origin coming from their respective countries) for bonafide baggage (i.e. for personal use or giving as gifts). The Allowance is INR 6,000 if the stay abroad is up to 3 days. These include 200 cigarettes (or 50 cigars or 250 gms tobacco) and liquor and wines upto 32 oz (1 litre). You may also bring in articles for your personal use including cameras with 5 rolls of film, a reasonable quantity of jewellery, one pair of binoculars, one portable musical instrument, one radio set, one tape recorder, one portable typewriter, laptop computer, one perambulator and professional equipment, on the undertaking that you will take them back with you when leaving India. The duty rate beyond the free baggage allowance is 61.4 percent. Drugs and narcotics and the import of firearms is prohibited. There are DUTY-FREE shops at the airport both at the Arrival and Departure lounges.
- 2.5. **Transport:** Delhi has significant reliance on its transport infrastructure. The city has developed a highly efficient public transport system with the Delhi Metro, which is undergoing continuous modernization and expansion.
- 2.6. **Public Taxi:** This is metered. Ensure that the driver flags down the meter before he starts. Uber and Ola cabs can also be booked by downloading their apps into mobile phones.

Phone : (+91-124) 4014060-67
Fax : (+91-124) 401 4080/4057

3. EXHIBITOR RELATIONS:

For smooth co-ordination with exhibitors there will be a team of CO-ORDINATORS for the **IETF 2025**. Please contact any of the following executives in CII Secretariat for any clarification / information required by you:

Amit Panjwani, COO and General Manager - Operations (amit.panjwani@cii.in)

In addition to this, for any escalation of information not given in this manual, exhibitors are advised to contact **Mr. Ankur Singh Chauhan, Executive Director** at the above address or email: ankur.chauhan@cii.in

4. REGULATIONS

The formulation and execution of the rules and regulations for **IETF 2025** and all other matters with regard to the Exhibition will be carried out by CII Secretariat, Gurgaon. (Hereinafter referred to as the Organiser) or its authorised representatives. The Organiser is vested with the full authority to enforce all the rules and regulations pertaining to the Exhibition. Its decision will be final and binding in all respects and for all concerned.

4.1 Local and site regulations: Exhibitors must agree to abide by the local and site regulations with respect to law and order, safety etc. The Organiser will take necessary action against those who do not comply with the regulations.

4.2 Violation of rules: The Organiser has the authority to demand removal/ change of any structure which in their view does not conform to the **ETF 2025** rules or cancel participation. The decision of the Organiser in this regard will be final and binding.

4.3 Exemption from Payment of Customs Duty: Overseas Exhibitors & Indian Exhibitors displaying foreign manufactured products which are to be imported specifically for the Exhibition are required to pay space rent in foreign exchange at the rates fixed for foreign participation.

Domestic exhibitors participating along with their Foreign Principals, looking for Duty Free Importation of goods are advised to share space with their overseas counterparts and arrange remittance of foreign exchange at the rates fixed for foreign participation from an overseas bank.

Exhibitors will not be allowed to display products which are not included in the application forms submitted to the Organiser. Permission of the Organiser must be obtained to alter or make additions in the Exhibits.

Please Note: The Organiser, in its sole discretion may deny participation to any applicant without disclosing the reasons thereof.

- 4.4 Cancellation:** If a Company withdraws from this contract after having concluded the said contract, the company hereby agrees to indemnify the Organiser, for the losses at the following rates:
Withdrawal till 30 November 2024: 75% of total space rental.
Withdrawal from 31 December 2024 onwards: 100% of space rental.
- 4.5 Administration of Exhibition Halls:** Administration of the Exhibition Halls will be controlled by the Organiser from the Fair Secretariat at the venue. Participants should contact the Fair Secretariat for information on various Exhibition services. Representatives of the Official Clearing and Forwarding Agencies, Travel Agencies, shell scheme contractors etc. will be available at the Exhibition Hall for support and assistance to participants.
During the Fair, Hall Directors will be stationed at their respective control points in all Halls. They may be contacted for taking possession of stands and any assistance required by the participants.
- 4.6 Entry to Exhibition Site:** Entry / Exit of material to the Exhibition site will be permitted only from **Gate No 4 on Bhairon Road**. During the show days, entry for products for replacement is allowed only during non-exhibition hours. During the show, Visitors will be allowed to enter from Gate 4,5 & 10.
No vehicles will be allowed into Bharat Mandapam during exhibition time. Any Vehicle / Exhibit parked within the fair grounds during the exhibition timings, will be towed away by the Traffic Police Authorities and all related expenses thereof will be to the account of the vehicle owners.
- 4.7 Stand Possession:** Possession of space / stand will be given as per schedule given in Point No 1.0 of Sub-Section Pre-Fair period (Fair Facts), **subject to clearance of all dues by the Exhibitor**.
Exhibitors who have booked raw / built-up space can carry their Exhibits inside the Exhibition Halls from these dates. In order to avoid last minute rush and strain on the material handling facilities, Exhibitors are requested to cooperate with the programme prepared by the approved agency for movement of Exhibits inside the Halls. There is no restriction on the timings for arrival of exhibit cases at Pragati Maidan during the pre-exhibition period.
Exhibitor should depute their representative to accept delivery of their exhibit / cases at the Exhibition Hall. It will not be possible for Organiser to take delivery and make handling arrangement for the Exhibitors.
- 4.8 Force Majeure:** Under the conditions of force majeure which also include strike, lockout, closure, riot, natural calamities, the Organiser reserves the right to alter the opening and duration, or even cancel the entire exhibition. In case of change in dates and duration of the Exhibition, the rules and regulations and the agreement between the Exhibitors and the Organiser will remain unaffected. In case of cancellation of the Exhibition, the space / Stall Rental paid by the Exhibitors, or any amount thereof is refundable at the sole discretion of the Organiser.
- 4.9 Authority on the Premises:** The Organiser shall be responsible for and be entitled to act as the owner of the premises throughout the tenancy period. The decision of the Organiser in regard to any problem or dispute will be final.
- 4.10 Limit of Liability:** Organiser is not liable in any form for any loss or damage to Exhibitors property at the exhibition site or injury to their personnel and visitors. By submitting their application Form No 1 for participation, the Exhibitors also agree to refrain from making any claim on the Organiser and to indemnify it against any claim by their party arising out of other Exhibitor's conduct. All disputes will be subject to New Delhi jurisdiction.
- 4.11 Safety and Behaviour:** To make the exhibition smooth and in order, please keep your personal belonging safely. Visitors are advised to take care of their belongings. The organizer will not be responsible for any losses. Exhibitors are suggested to keep their bags and expensive properties in the cabinet and are advised not to leave their mobile phone on the table. Visitors are advised to keep their cash/passport safely to avoid any loss.
No person present inside any Exhibition Hall is to behave or act in a manner that may cause any harm, injury or damage to other persons or exhibits, nor to the exhibition hall property or fixtures.

2: PRE-FAIR PERIOD

1. CONSTRUCTION PERIOD

Schedule for giving space possession in Halls for **IETF 2025** will be as under:

Raw Space	18/02/2025	1130 hrs
Built-up Space	19/02/2025	1000 hrs

2. TIME FOR SET – UP

All exhibits must be unpacked and placed by 1300 hrs on 19th February 2025. Laying of aisle carpets will start at 1800 hrs on 19th February 2025. Exhibitors may remain in the hall to work but all activities must be confined to their exhibit space. Please have all crates and cartons unpacked so that they may be removed to keep aisles clear.

3. STALL DESIGN / CONSTRUCTION AND DISPLAY

Exhibitors are advised to follow the guidelines stipulated by the Organiser in the Rules and Regulations for **IETF 2025**. The Organizer would particularly like to emphasis on the following points:

There is no restriction on the size of product on display except those imposed by the load bearing capacity for indoor areas and the height of entry doors which must be checked with the Organiser in advance, before finalising large/ heavy exhibits for display.

Woodworking and Spray Painting inside Hall is prohibited. Platforms / panels and other decorations for the interior must be brought in a prefabricated condition for assembly and finishing inside the Halls. Use of modular systems will be encouraged for timely completion of stands. Passage area to be kept clear of packing cases, construction material etc.

The Exhibitors should leave a minimum 30% of the stall area free for movement of visitors.

For Built -Up Stall:

- 3.1 Pasting of Flex by usage of bond / strong adhesive commercial tape/ Screwing is not allowed. Exhibitors can use spongy double tape/ vinyl sticker for branding at their booth. In case the exhibitor does not abide by this, they will be liable to pay for the damage penalty cost to CII.
- 3.2 Exhibitor should not hire additional lights, racks to be hanged /mounted on their booth from third party vendor, as the stall has load bearing capacity and additional installations may lead to damage.
- 3.3 Partial Customisation is not permitted.
- 3.4 In case the Exhibitor is opting to convert the stall to Customised- Prior approval from CII architect has to be taken and exhibitor.
- 3.5 Extra furniture, Lights, Carpet etc will not be provided to built-up stalls which are Customised, the exhibitors must go for 100% Customisation and apply for required power also.

The Organiser will have the right to decide on the fulfilment of the above rules, and the authority to demand removal/change of anything that is not according to the rules. The decision of the Organiser in this regard will be final. Exhibitors should advise their Advertising Agents about the rules and guidelines for stall decoration such as permissible, size of display materials, panels, office cabin etc. The CII Fair Secretariat will not correspond with agents engaged by the company/Exhibitor.

4. STALL COMPLETION

Interior and Display of Booths to be completed by **1800 Hrs on 19th February 2025**.

5. GROUTING

Grouting is not permitted in Exhibition Halls.

6. STORAGE, REMOVAL OF WASTE AND CLEANING

The Organiser is unable to provide storage facilities for packing cases, surplus materials, or other property of the Exhibitor. Arrangement for safe-keeping of such items must be made with the Freight Forwarder or should be shifted to your local go-down.

During the construction and dismantling periods, aisles in the exhibition halls must not be obstructed with packing materials, construction materials or debris. Exhibitor's contractors will be responsible for removing their own off-cuts and waste each day of build up and break down. Failing this, the Organiser reserves the right to invoice the Exhibitors for the removal of excessive packing materials discarded crates or cartons & stand building materials and waste.

7. **CONSERVANCY**

While the Organiser will make arrangements for cleaning the passages during the show, it is the responsibility of the Exhibitors to get their Stands cleaned and their equipment dusted in the evening. No sweeping will be allowed after 0900 Hrs.

3: FAIR PERIOD

1. **FAIR TIMINGS**

IETF 2025 will be open from 1000 - 1800 hrs. on all the three days.

The schedule of timings is:

- ***Business Visitors*** ***20, 21 & 22 February 2025 1000 - 1800 Hrs***
- ***General Visitors*** ***on selected days***

2. **REPLACEMENT OF EXHIBITS**

No removal or delivery of exhibits and other exhibition stores in or out of the exhibition hall during the Exhibition hours is permitted. Such removal, delivery or replenishment of stock may only be carried out before opening hours (by 0800 hrs) in the morning or after closing time in the evening. For security, to remove any item of your display from the hall during the show days, an "EXIT PASS" must be obtained from the Organiser.

3. **SALE OF EXHIBITS**

Direct sale or discount sale of exhibits is strictly prohibited during the exhibition. The exhibitors, however, can conduct technical, commercial and sales discussions as well as booking of orders during the exhibition.

The Organiser appreciates that in many cases the Exhibitors prefer to sell exhibits instead of carrying them back to their destination. Such sale of exhibits can be affected, if so desired by the Exhibitors. This is subject to the condition that Organiser shall not be responsible for collection or remission of duty, taxes such as customs and excise duty, sales tax etc. Fulfilment of this obligation would be the responsibility of the Exhibitor. The sold-out exhibits can be removed from the stands only after the conclusion of exhibition, along with other exhibits.

4. **MANNING OF STANDS**

Your stand must be fully manned and operational throughout the exhibition hours of the exhibition. All activities of the Exhibitor and staff must be confined to the stand or site allocated. No advertising or canvassing for business may take place elsewhere in the Exhibition Hall inside the exhibition ground.

5. **INAUGURATION**

IETF 2025 is scheduled to be inaugurate on Thursday, 20th February 2025. Details will be intimated closer to the event.

6. **TIMINGS FOR MANNING OF STANDS**

Personnel competent and responsible on behalf of the Exhibitor manning the stand must report at the stand latest by 0915 hrs every fair day.

The fair will close at 1800 hrs. For the sake of security, the stand must be vacated by all manning the stands by 1815 hrs every evening. For this purpose, the Hall Director and Exhibition Security personnel will be authorised to ensure this is complied with. To avoid inconvenience, all Exhibitors are requested to cooperate.

Please note- power supply to all stands will be stopped after 1815 hrs.

4: POST FAIR PERIOD

1. CLOSURE OF THE EXHIBITION

IETF 2025 will close on **Saturday 22nd February 2025 at 1800 hrs.**

2. HELPFUL MOVE-OUT INFORMATION

Make sure you order your labour for dismantling well ahead of time.

- If using an Exhibitor Appointed Contractor for the dismantling of your exhibit, please make sure that the contractor has read the move-out schedule and planed labour according to the published hours.
- Please notify your van line or transportation specialist of the move-out schedule.
- Please remember to return telephone sets and lead capture systems to the concerned supplier within one hour after the show closes.
- Please be aware that the Pragati Maidan Exhibition Ground is a bonded area for customs purposes. Therefore, no display items imported temporarily for the show may be removed from the site without the Customs Gate Pass.

3. EXIT PASS

There is entry pass procedure during installation period for entering Pragati Maidan from Gate 4. However, for taking out the Exhibition Material and Exhibits after the closure of the Exhibition, participants would need to obtain a standard final exit pass from the Organiser. The following procedure would be observed.

The Exhibitors should contact their respective Hall Directors for Clearance of Dues, if any, and collect their Exit Pass by using the format given in Section 9.

Please Note: Exit Pass will be given to Exhibitors only on the condition that all dues towards participation in the exhibition are cleared before the fair is over. The copies of Exit Pass will be retained by the Fair Secretariat, Hall Security, Bharat Mandapam Security Personnel at exit Gate '1' and the Exhibitor.

4. REMOVAL OF EXHIBITS

Exhibitors will be allowed to remove the exhibits from the stalls after 1815 hrs on **22nd February 2025** based on valid "Exit Passes".

All hall utilities will be disconnected at 1815 hrs and Exhibitors are requested to keep the aisles clear of cartons and crates to enable removal of aisle carpeting. The removal of exhibits must be completed by **2300 hrs on 22nd February 2025**. After this, the Organiser will be at liberty to remove and store the goods at other places at the cost and risk of Exhibitors.

5. HANDING OVER OF HALLS

As per the arrangements with Bharat Mandapam the Organiser has to handover all exhibition halls by **0600 hrs on Sunday i.e. 23rd February 2025**.

DESIGN GUIDELINES

SECTION - 3

1. **GENERAL INFORMATION**
 - I. **Submission of Layout for approval**
 - II. **Encroachment**
 - III. **Electrical Fittings on hire**
 - IV. **Care of building and equipment**
 - V. **Demonstrations of working exhibits**
 - VI. **Damages**
 - VII. **Fascia Text- Deadline**

2. **GUIDELINES: RAW SPACE**
 - I. **Rules & Guidelines for Design & Construction**
 - (a) **Mezzanine**
 - (b) **Audio, Visual Films, Video Walls, Stage Shows**
 - II. **Electrical Installation Regulations**
 - III. **Stand Approval**

3. **GUIDELINES: BUILT-UP SPACE**
 - I. **General Information**
 - II. **Rules and Guidelines for decoration**
 - (a) **Audio, Visual Films, Video Walls, Stage Shows**
 - III. **Electrical Installation Regulations**
 - IV. **Stand Approval**

1: GENERAL INFORMATION

This document contains several regulations, compliance to which is essential for the setting up of the **IETF 2025** professionally. Every Exhibitor must study and follow these guidelines carefully. Should you need clarifications or require advice, please contact the **IETF 2025** Co-ordinator who will be happy to offer assistance.

Exhibitors are advised to inform their advertising / construction agents regarding these rules and regulations governing stand decoration. Please note the Organiser will not correspond or deal with agents engaged by the Exhibitor.

The Exhibitor while planning stand design must observe the Stand Construction Regulations described in this section.

1. **SUBMISSION OF STALL DESIGN FOR APPROVAL**

The Stand drawings along with to-scale mock-ups, complete with details of exhibits, electricity, water, and other installations, in 4 copies, must be submitted for the Organiser for approval, latest by **31st January 2025**. The exhibitor shall be bound by the changes / modifications advised by the fair architect (**Mr Iftikhar Ali - iftikhar.ali@cii.in**) In case of non-receipt of stand drawings by **31st January 2025**, the Organiser is at liberty to allot the stand to another exhibitor. The Exhibitor is liable to pay for the space rentals in full to the Organiser.

2. **ENCROACHMENT**

The Exhibitor must confine their exhibits within the area allocated. No encroachment on corridors, free space or other facilities provided by the Organiser will be permitted. Each Exhibitor shall follow the centre of the markings on the floor for common sides and outside edge for open sides.

3. **ELECTRICAL FITTINGS / FURNITURE ON HIRE**

Exhibitors who book space especially for the Shell Scheme are advised to contact the Fair Secretariat for requirements of additional furniture & electrical fittings. All such requirements must be registered by **31st January 2025**. The Organiser will make arrangements with concerned stand contractors to deliver additional furniture directly in the Exhibitor's stand area. **All payments must be made directly to the contractor for additional items.**

4. CARE OF BUILDING AND EQUIPMENT

Exhibitors or their contractors must not damage or deface the exhibition facility or the exhibits and equipment of other exhibitors. Should such damage occur, the respective Exhibitor will be liable to compensate the owner of the property so damaged.

Exhibitors are responsible for the cost of making well or replacing any damages to the exhibition premises, whether caused by themselves, their agents, contractors or by any person or persons employed or engaged on their behalf by such agents or contractors.

5. DEMONSTRATION OF WORKING EXHIBITS

An Exhibitor intending to demonstrate equipment at his stand must:

- Provide the Organiser with full details in writing of working exhibits involving moving parts, naked flames, and lasers or of other hazards which could be potentially dangerous.
- Give proper consideration to safety conditions under which exhibits will be demonstrated, including safety guards and screens to prevent accident or injury to visitors and staff.
- Cause no annoyance to visitors or other Exhibitors. If a high level of noise or other objectionable factors are involved, the Organiser reserves the right to stipulate demonstration timings or to terminate a demonstration at any time.
- Ensure that no naked flames are used in any demonstration in the exhibition premises.
- Isolate controls and switches so that machinery cannot be accidentally activated.
- In case of dispute, the Organisers ruling will be final.

6. DAMAGES

Exhibitors occupying Shell Scheme Stands will be held responsible for the cost of making good, restoring, or renewing any damages to the shell stand structures, floor coverings, light fittings, or any part thereof, whether caused by themselves, their agents, contractors or by any person or persons employed or engaged on their behalf by such agents or contractors. The cost of making good any damage will be assessed by the Official Shell Scheme Contractor and charged to the Exhibitor.

Exhibitors are responsible for the cost of making well or replacing any damages to the exhibition premises, whether caused by themselves, their agents, contractors or by any person or persons employed or engaged on their behalf by such agents or contractors.

The Organiser, in conjunction with the ground authorities, will inspect the Halls before build-up and after break-down of the Exhibition.

7. FASCIA TEXT for Built Up Space – Deadline

Exhibitors who have booked Shell Scheme (Built-up) space are requested to send **Fascia Form** giving the Fascia text for their Stand Fascia latest by **31st January 2025**. On non receipt of this form organisers are free to take name as mentioned in application form for fascia.

1. GENERAL RULES & GUIDELINES FOR DESIGN AND CONSTRUCTION

- 1.1** All height details, mentioned in these guidelines, are from the ground level and not from any raised flooring created by the exhibitors.
- 1.2** Exhibitors are responsible for their own stand design and construction. The Organiser would be pleased to offer advice and guidance if required.
- 1.3** The following are strictly prohibited:
 - Use of electrical flashes, flashguns etc. However, the Fair Architect may allow Neon signs above

2.5 Mtrs height subject to approval.

- Cloth Banners.
- Stage shows or presentations without prior permission in writing from the Organiser & without a concept note on the proposed show.
- Suspending of display items from the Hall ceiling or parts of it.
- Storage of any kind, behind the display walls.

1.4 The maximum height of the artificial floor should not exceed 10 cm / 4” and any other area raised artificially or for display purpose shall be such that it does not obstruct the adjoining stand.

1.5 The maximum height of any stand should not exceed 2.5mtrs unless approved by the Fair Architect. The following table would give a clear guideline on the permissible heights for branding.

**Area Booked / Branding Heights in meters (Maximum)
Subject to availability**

Area (Sqmt.)	Maximum Height (Mtrs.)
12 – 29	3.0
30 – 60	3.5
61 – 100	4.0
101 – 130	4.5
131 & above	5.0

Branding should be done, as per above chart, in centre of the stand / pavilion and are subject to approval from the Fair Architect. All heights are from the natural floor only and should not obstruct the view /orientation of any other stand. Height of panel against natural back wall along the periphery of the Halls will be allowed up to 5.0 mtrs if the height is available at the place where the stall is located.

1.6 Height of side partitions will be restricted to 2.5 Mtrs from the ground. If there is any difference in the level of partitions of any two adjacent stands, (not more a 10 cm.) the exhibitor with a bigger height shall finish properly the portion extending above the neighbouring stand.

1.7 Branding on common wall beyond 2.5 meters is not allowed. However, supporting elements or fitments used for holding branding / Fascia beyond 2.5 meters height in the centre of a stall, should not exceed 12 inches width alongside the common wall.

1.8 Height of panel against natural back wall along the periphery of the Hall will be allowed upto 5.0 mtrs subject to availability of Height. In Halls where air conditioning vents are installed along on actual walls, exhibitors are advised to keep the back wall below the air conditioning vents or keep the air conditioning vents open through the back wall into the respective stalls.

1.9 Access must be given to any Emergency Exit, Fire Exit, Electrical box, Service room etc. falling within the exhibitor’s stand area. It is mandatory to leave minimum one opening in the partitions against the natural wall to provide access for electrical fittings etc.

1.10 Building of turn- tables/ramps would be permitted after clearance from the Fair Architect. If approved the Height of such a turntable/ ramp must not exceed 1.0 mtrs. Exhibitors wishing to use turn table/ ramps must clearly show the location in their drawings and obtain positive clearance from the Fair Architect failing which they would not be permitted to erect such turn tables / ramps.

1.11 Exhibitors may be permitted to erect a Conference/ Meeting Room within their area alongside the natural wall upto 2.5 Mtrs height. The area of the meeting room may be upto 20% of the total area booked by the exhibitor. The location of the Conference / Meeting room would require specific clearance by the Fair Architect. However, for stands with all sides open, the conference room shall have clear transparent glass/ acrylic without any blinds/ curtains above 1.2 Mt. Height.

2: GUIDELINES: RAW SPACE

Design Guidelin

- 1.12 Covering of Outdoor area beyond the meeting room area (10% of stand area subject to a maximum of 50 sqms) is not allowed. Exhibitors may cover beyond their conference area only after paying an additional amount of 25% of the space rental for outdoor area for the entire covered space.
- 1.13 **It is necessary that panels erected against outer glass walls in the Halls be properly finished on both sides. Exhibitors failing to do so would be penalised INR 1000 per running meter. Covering would be done upto 2.5 mts height.**
- 1.14 All open or unfinished sides of the exhibit space which may appear unsightly must be covered or the Organiser will have them covered at the Exhibitor's sole expenses @ INR 1000 per sqm. Any portion of the Exhibit bordering another Exhibitor's space must have the backside of the portions finished and not carry any identification signs or other marks that could detract from the adjoining exhibit.
- 1.15 All exhibit floor space must be fully carpeted or covered.
- 1.16 **Woodwork is prohibited in the Halls. Platforms/ Panels and other decorations for the interior must be brought in prefabricated condition. Only assembly and finishing will be allowed in the Hall. Spray painting inside the Exhibition halls is strictly prohibited and any exhibitor doing so shall bear the risk of disconnection of power supply to the stand.**
- 1.17 For Island / 3 side open stalls it is mandatory for exhibitors to design their stands in such a way that there is no obstruction on any of the open sides. This will ensure free movement and give exhibitors a feel of openness and transparency. Exhibitors are not allowed to obstruct the view or adversely affect the displays of other exhibitors. For the meeting room, solid Partitions upto 1.2 mtrs and see-through glass / clear acrylic partitions for the balance 1.3 mtr on top may be used.
- Organiser's reserves the right to turn down approval for stands with any of the open sides blocked.**
- 1.18 No solid partitions will be allowed within 3.0 mtrs from the aisle in stands covering an area of 500 sqm and above.
- 1.19 A maximum of 70% of Stand area may be used for exhibits and the balance 30% must be left free for circulation. The Exhibitors shall not arrange the display of material in a way that would obstruct the passage area.
- 1.20 Natural Pillars falling within stand area may be covered to a height of 3.0 mtrs only. Stands with over 500 sqm area may cover pillars upto a height of 5 / 6 mtrs subject to approval and availability of height.
- 1.21 Hall columns, Roof Trusses, Air Conditioning Vents and all other structures of the Hall must not be used as support or be subject to load or stress by the stand structure.
- 1.22 Exhibits over 2.5mt Height must not be placed on any raised height.
- 1.23 There is no restriction on height and weight of exhibits on display except imposed by the load bearing capacity of the floor and height of entry doors. The same should be checked with the organiser before finalising large/heavy exhibits for display.
- 1.24 Any presentation/ demonstration/ exhibit likely to attract groups of 10 or more persons must be located towards the centre of the stand and clearly shown on stand drawings. If the location of such an exhibit result in blocking of the Aisles, the aisle space thus blocked shall be billed to the exhibitor.
- 1.25 It is mandatory for the exhibitors to inform the Organiser if any of their exhibits comply with the following: -
Exhibit configuration is 10 sqms or more.
Exhibit exceeds 2.5 mtrs in height or 3 mtrs in length.
Exhibit material exceeds 3 tons.

Exhibit contains liquid fuel / natural gas / propane.

Exhibits requiring water for demonstration purposes.

- 1.26 The Organiser reserves the right to change/alter/remove any exhibit interfering with the aesthetics of the exhibition or hinders the public in any way.
- 1.27 Grouting is not permissible in any Halls. Exhibitors are advised to submit relevant drawings for clearance. Any damage to floor or structure, fittings etc. will be charged @ INR 1000 per hole.
- 1.28 To avoid inconvenience to other exhibitors and to enable the Organiser to complete repair work of passages, cable ducts etc., before the exhibition starts, exhibitors are requested to move in their exhibits within stipulated time given.

1.29 **AUDIO VISUAL FILMS, VIDEO WALLS, STAGE SHOWS**

- **Stage events / shows – It is not permitted by Venue Authorities to organise any stage events. Special advance permission to be obtained from the organiser for any such events within the exhibition halls.**
- The Organiser reserves the right to regulate or restrict exhibits within a reasonable sound level or the sound level of 60 DB peak on sound level meters (ANSI Type 2) on the SLOW meter position at 3 mtrs distance. The sound speakers must not be placed higher than 1.5 mtrs. They must be positioned downward and inward towards the centre of the exhibit booth or display area and may not be pointed towards the aisle. The Organiser reserves the right to restrict exhibitors the use of sound and other devices which are not permitted by the venue authorities may interfere with the best interest of the fair environment.
- The organiser reserves the right to disconnect the supply of electricity to any exhibitor violating the above guidelines.

2. **ELECTRICAL INSTALLATION REGULATIONS**

- 2.1 Raw Space exhibitors must apply separately for the power connection as per their requirement. No electricity will be provided if exhibitor does not apply. For details, please refer Form 4.
- 2.2 Electrical wiring and installation must be done by Exhibitors through registered professional technicians using proper wiring switches etc. to ensure safety. The Organiser shall not be responsible or liable in case of any mishap due to use of sub - standard material or unskilled labour.
- 2.3 All wiring must be carried out in PVC, Elastomeric or other plastic sheathed cables. No exposed means of cable joints will be permitted.
- 2.4 Lamps and appliances with high temperature surfaces should be guarded and used well away from combustible materials.
- 2.5 No light fitting or other appliance may be suspended from the roof of the exhibition hall.
- 2.6 The Organiser reserves the right to disconnect any installation, which in their opinion is dangerous or likely to cause annoyance to visitors or other Exhibitors.
- 2.7 In order to take care of voltage fluctuations, the Exhibitors are advised to fix up constant voltage transformers or insulation Transformer or stabilizers for CNC and other sensitive machines. Exhibitors are encouraged to use MCB wherever necessary. The main supply points and electrical installations in the stand should be kept open for easy access and should not be concealed.

3. **STAND APPROVAL**

- 3.1 The decision of the fair architect as regards the approval of the plan shall be final and binding upon exhibitors and the work must be carried out as per the approved drawings only.
- 3.2 **Exhibitors must submit 2 copies of the design of the stand clearly detailing the design along with the floor plan for approval, latest by 31st January 2025. A penalty of INR 50,000 will be levied on drawings received after this date. The drawings must also clearly show layout of exhibits, logo details, supporting stand electrical points etc. and clearly indicate wall / panel height, exhibits, meeting rooms etc.**
- 3.3 In case any pre-fabrication is done by any Exhibitor before the approval of the design by the fair secretariat, the Exhibitor shall be bound by the changes / modifications advised at the time of approval of

the design and to change the said prefabricated structure or any other feature to adhere to the basic design guidelines.

- 3.4** An exhibitor whose design has been approved by the Fair organiser may only commence erection on or after the due date. No exhibitor shall be allowed to start work on their stands without the prior approval of the plan. The decision of the Fair Architect as regards to the approval of the plan shall be final and binding upon exhibitors and the work must be carried out as per the approved drawing only.
- 3.5** The exhibitors must keep one copy of the approved drawing at the work site.
- 3.6** All displays will be inspected during the set-up days and any exhibitor deviating from the regulations must make modifications as suggested by the Fair Architect on his own expense prior to the show opening.
- 3.7** **All exhibitors stand must be completed in all respects by 1800 Hrs on 19th February, 2025.**

3: GUIDELINES: BUILT-UP SPACE

1. General Information

1.1 Features: The Shell Scheme stands would be provided with the following:

- Rear and dividing walls of 2.5 mts. ht.
- Fascia with company's name on open stand frontage(s).
- Floor covering with synthetic carpet.
- Every 12 sqms Built Up booth includes the following items of basic furniture: - Two Table, Three Chairs, Four Light fixtures, 5 Amp Power Socket and wastepaper basket.

1.1 a) Technical Specification of Stands

b) Maximum Permissible Height for Built up Stand

The maximum height of any stand should not exceed 2.5 mtrs unless approved by the Fair

Organiser. The following table would give a clear guideline on the permissible heights for branding.

Area Booked / Branding Heights in meters (Maximum)
Subject to availability

Area (Sqmts.)	Maximum Height (Mtrs.)
12 – 29	3.0
30 – 60	3.5
61 – 100	4.0
101 – 130	4.5
131 & above	5.0

Branding should be done, as per above chart, in centre of the stand / pavilion and are subject to approval from the Fair Organiser. All heights are from the natural floor only and should not obstruct the view /orientation of any other stand.

- 1.2 Power for Demonstration:** Apart from light fixtures, one 5 Amp Power socket (for TV, Fridge, computers etc.) will be provided in each booth of 12 Sqm. In case additional power is required for demonstration or running of machinery / exhibits, the exhibitors must inform the Organiser vide **Power Requirement Form before 31st January 2025.**
- 1.3 Additional Furniture on Hire:** A comprehensive range of standard items, including wall panels to form office enclosures, shelving, display panels, etc. may be hired from the Official Shell Stand Contractor. The Price List for additional furniture etc. will be available nearer to the show dates.
- 1.4 Discussion Room:** Additional fitments for a discussion room (maximum 20% of space) will be provided free of charge to Exhibitors who have booked an area of 48 Sqm and above. Exhibitors are requested to plan the location for this as per their display arrangements and submit the detailed drawing showing the location of conference room at the earliest but not later than **31st January 2025.**
- 1.5 Ceiling:** Ceilings shall be open but will be braced for stability where necessary.

2. RULES AND GUIDELINES FOR DECORATION

- 2.1** Shell Scheme stands will be provided in accordance with the specifications mentioned. Please note that the internal dimensions of the Shell Scheme area are approximately 5 cm smaller than the contracted area as the walls are contained within circular upright aluminium members within the booth area.
- 2.2** Alterations are not allowed in the Standard Shell Scheme structure.
- No Alternations may be made in the standard Shell Scheme Fascia.
 - No alterations / removal of panels / podiums / etc will be allowed.
 - Private furniture / carpets etc. are not permissible
 - Raising the floor artificially or construction of wooden flooring is not permissible
 - Major woodwork, if any, must be approved in advance by the Fair Architect before starting such work.
- 2.3** The following are **strictly prohibited.**
- Use of electrical flashes, flash guns and neon signs.
 - Cloth Banners, Velvet Banners or Velvet Covers on the panels / table.
 - Stage shows or presentations without prior permission in writing of the Organiser.
 - Painting, Colouring, Wallpapering, Sticking of Thermocole cut letters, Nailing, or drilling of panels. If you require assistance in hanging or displaying your exhibits, please consult the Official Shell Stand Contractor of your Hall. Exhibitors would be charged @ INR 1500 per panel for any damages to panels.
 - Suspending of items from the Hall ceiling or parts of it.
 - Storage of any kind behind the display walls.
 - Digging, grouting, or cutting of the floor.
 - Raising the height of the back wall/ fascia for promoting the company name / logo.
- 2.4** No additional outsourced stand fitting or display may be attached to the shell stand structure.
- 2.5** All interior stand fittings must be contained within the shell stand structure and must not exceed 2.5m

height. No free-standing equipment may exceed a height of 2.5m or extend beyond the boundaries of the site allocated.

- 2.6** It is mandatory for Exhibitors with 2 or 3 or 4 side open stands, to arrange display in such a way that there is no obstruction on any of the open sides. This will ensure free movement and give exhibitors a feel of openness and transparency. Exhibitors are not allowed to obstruct the view or adversely affect the displays of other Exhibitors.
- 2.7** A minimum of 30% of Stand area must be left for circulation. Exhibitors shall not arrange the display of material in a way that will obstruct passage areas.
- 2.8** Natural pillars falling within stand area may be covered to a height of 2.5 mtrs.
- 2.9** Exhibits of over 2.5 mtrs height must not be placed on any raised platform.
- 2.10** There is no restriction on height and weight of exhibits on display except imposed by the load bearing capacity of the floor and height of entry doors. Please refer technical specification of exhibition halls. The same should be cleared by the Organiser before finalising large / heavy exhibits for display.
- 2.11** Any presentation / demonstration / exhibit likely to attract groups of 10 or more people must be located towards the centre / rear portion of the stand and clearly shown on stand drawings.
- 2.12** It is mandatory for the exhibitors to inform the Organiser if: -
- Exhibit configuration is 10 sqms or more.
 - Exhibit exceeds 2.5 mtrs in height or 4 mtrs in length.
 - Exhibit material exceeds 3 tons.
 - Exhibit contain liquid fuel / natural gas / propane.
 - Exhibits require water for demonstration purposes.
- 2.13** To avoid inconvenience to other exhibitors and to enable the Organiser to complete repair work of passages, cable ducts etc., before the exhibition starts Exhibitors are requested to move in their exhibits within the stipulated time.
- 2.14** **AUDIO VISUAL FILMS, VIDEO WALLS, STAGE SHOWS**
- **Stage events / shows – It is not permitted by Venue Authorities to organise any stage events.**
 - The Organiser reserves the right to regulate or restrict exhibits within a reasonable sound level or the sound level of 60 dB peak on sound level meters (ANSI Type 2) on the SLOW meter position at 3 mtrs distance. The sound speakers must not be placed higher than 1.5 mtrs. They must be positioned downward and inward towards the centre of the exhibit booth or display area and may not be pointed towards the aisle. The Organiser reserves the right to restrict exhibitor's use of sound and other devices which may interfere with the best interest of the fair environment or not permitted by the venue authorities.
 - The organiser reserves the right to disconnect the supply of electricity to any exhibitor violating these guidelines.
- 2.15** The Organiser reserves the right to change/alter/remove any exhibit interfering with the aesthetics of the exhibition or that which hinders the public in any way.

3. ELECTRICAL INSTALLATION REGULATIONS

- 3.1** Electrical wiring and installation required for connecting machine (s) for demonstrations purpose must be undertaken by Exhibitors employing registered professional technicians using proper wiring switches etc. to ensure safety. The Organiser shall not be responsible or liable in case of any mishap due to use of sub - standard material or unskilled labour.
- 3.2** All wiring must be carried out in PVC, Elastomeric or other plastic sheathed cables. No exposed means of cable joints will be permitted.
- 3.3** The Organiser reserves the right to disconnect any installation, which in their opinion is dangerous or likely to cause annoyance to visitors or other Exhibitors.
- 3.4** In order to take care of voltage fluctuations, the Exhibitors are advised to install suitable constant voltage

transformers or insulation transformer or stabilizers for CNC and other sensitive machines. Exhibitors are encouraged to use MCB wherever necessary.

4. STAND APPROVAL

- 4.1** Exhibitors must move in as per schedule given in section 2 (Pre-Fair Period) of the Exhibitor Services Manual, provided space rent, deposits and other dues have been paid in full to the Organiser.
- 4.2** Exhibitors booking over 48 sqms of space must submit 2 copies of the design of stand showing elevations and plan for approval, by **25th January 2025**.
- 4.3** All stands will be inspected during the set-up days and any Exhibitor deviating from the regulations must make modifications as suggested by the Fair Architect on his own expense, prior to the show opening.
- 4.4** **All exhibition stands must be completed in all respects by 1800 Hrs on 19th February 2025.**

For more details please contact Fair Architect at
iftikhar.ali@cii.in

ELECTRICITY

SECTION - 4

1. **ELECTRICAL SUPPLY**
2. **ELECTRICITY CHARGES**
3. **TEMPORARY ELECTRICITY SUPPLY**

ELECTRICAL SERVICES

1. ELECTRICAL SUPPLIES & INSTALLATIONS

The electric power supply available in India is as under:

Single / 3 Phase : 230 / 400 volts $\pm 10\%$
Frequency : 50 cps $\pm 3\%$

CII Fair Electrical Department responsible for supply of power will be entrusted with the authority of regulating and controlling the power supply to the Exhibition Halls and individual stalls. Each stall will be provided with electric power at one or more main points depending on the total load requirement. Exhibitors should use Distribution Boards for feeding power to their machines. Individual isolation switches should be provided for each machine. Exhibitors should use either armoured cables or metal conduits for connecting power supply to machines.

The work for drawing power from main points to machines/exhibits is to be carried out by the exhibitors, at their own cost. Exhibitors may engage the services of their own personnel or authorised electrical contractors for wiring work inside their stall subject to the condition that they are duly licensed to undertake electrical work. Exhibitors are advised to exercise the highest level of safety precautions for electrical wiring and installations. The service charges of electrical contractor are to be borne by the Exhibitors and are payable directly to the contractors.

The Exhibitors should connect power to machines and exhibits as per the requirement given in their Application. Connecting power to the Exhibits other than those mentioned in the Electricity requisition **Form No. 4** or more than the specified load or the load allotted by the CII Fair Electrical Department will not be permitted.

Exhibitors must install separate and independent switch connections for their machines/exhibits. Alternate connections or throw-over switches are not allowed. In case power is supplied to the stall from two or more main points, Exhibitors must distribute the load as per the capacity of the respective switch boards in consultation with the CII Fair Electrical Department. Exhibitors requiring single-phase power for lighting purpose should carry out necessary wiring from 3 phase outlet through two pole single phase switches if necessary for future distribution. After the electric wiring work is completed, the Exhibitor must obtain a completion report from their Electricians or Contractors engaged by them and file the same with the CII Fair Electrical Department. Actual connected load for the individual machines/exhibits is to be mentioned in the report. Power will be released only after the wiring work is carried out and on receipt of the completion report.

All the main electric supply points must be kept easily accessible for operation and repairs in the event of emergency. Main electrical supply points should not be concealed or covered.

Exhibitors are advised to install equipment like voltage stabiliser/UPS equipment for their sophisticated machines/exhibits. If the machines are sensitive to the floor, placement of steel plates underneath is recommended.

2. ELECTRICITY CHARGES

Organiser has formulated a flat rate of **US\$ 90 / Rs 4000/KW** for overseas and domestic exhibition respectively of connected load (*single and three phases*), which will be the basis for charging for power and lighting load during the **IETF 2025**. These rates are subject to revision. It is essential for all exhibitors to give complete details of power requirement and submit to the Organiser in the prescribed Reply Sheet for Power Requisition Power Form enclosed in this booklet and return the same to Organiser by **31st January 2025** or immediately on confirmation of space.

Under no circumstances Exhibitors will be permitted to reduce their electricity requirement. Request for additional electricity load may be considered, subject to availability.

3. TEMPORARY ELECTRIC SUPPLY

Temporary power supply for erection and testing of machines can be made available from the first day of construction on extra charges @ **Rs. 1000 or US\$ 25 / kW / day**.

ON-SITE SERVICES

SECTION - 5

- 1. EXHIBITORS PARKING**
- 2. INSURANCE**
- 3. SECURITY**
- 4. STAND SECURITY**
- 5. TRANSPORTATION**
- 6. WATER CONNECTION**

On-site Services

1. EXHIBITORS PARKING

The Organiser will plan for **PARKING FOR EXHIBITORS** parking labels will be issued in proportion to space booked/Sponsorship by the Organiser during the construction time at the venue.

2. INSURANCE

It will be advisable for Exhibitors to take Insurance coverage for the build-up, during and dismantling periods of the fair for the following: **a)** Machinery, **b)** Transit and Loading & Un-loading of machines, **c)** Electrical accidents, **d)** Exhibition personnel, **e)** Third parties (visitors)

The Organiser will not accept liability for any loss or damage to any exhibit, or for injury to Exhibitor personnel at any time. Exhibitors are strongly advised to insure their exhibits against theft, loss or damage, including the risk of fire and to cover themselves against third party liability for visitors to their stands.

3. SECURITY

- Badges supplied by the Fair Secretariat must be always worn to gain entry to the exhibition halls.
- Badges may be obtained from the respective Hall Director or from the Organiser's Office.
- During show days, Exhibitors are allowed to enter one hour prior to the opening of the show each day and will be allowed to remain half an hour after the close of the show. Please check with the Hall Director if additional time is required.
- Hand carried items or any equipment going out of the exhibition hall will require an Exit Pass.

4. STAND SECURITY

Exhibitors should inform the Organiser in case they require security personnel for their booths during set-up and dismantling. Security personnel from the official security agency may be employed.

While the Organiser will always maintain general security surveillance throughout the Exhibition, Exhibitors are reminded that goods may be at risk after the show closes on the final day. Please be sure to see that your stand is not left unattended at this time. Care should be taken of small portable items, tools and instruments. The exhibitors are advised to hire the security personnel for their stall from the official security agency appointed for the IETF 2025. Details of Official agencies are given in **Annexure 1**.

5. TRANSPORTATION

- 5.1 **Shuttle Bus:** There will be shuttle buses between from gate 10 inside the exhibition grounds to facilitate Visitors.

FREIGHT HANDLING

SECTION – 6

1. **IN-HALL FREIGHT HANDLING**
2. **MATERIAL HANDLING AT THE SITE**
3. **CUSTOMS CLEARANCE AT THE FAIR GROUND**
4. **TERMS AND CONDITIONS FOR TEMPORARY IMPORT**
5. **SALE OF EXHIBITS BY OVERSEAS EXHIBITORS**
6. **EXHIBITION GOODS**

Freight Handling

1. IN-HALL FREIGHT HANDLING

To provide adequate security, safety, and protection against damage to the Exhibition Hall and in the interest of an efficient, co-ordinated move-in and move-out of goods, no private trucks, cars, fork-lifts or handling equipment (trolleys, lift jacks, etc.) will be allowed inside any of the Exhibition Halls. All such equipment will be provided and controlled by the Official Freight Forwarders who will take over from other forwarders, at the entrance to the Halls.

2. MATERIAL HANDLING AT THE SITE

The Exhibition material can be handled only by the CII approved official agencies, as per the rules. The Organiser has appointed Official Clearing and Forwarding Agents (CFAs) for exhibits and for material handling at the site.

For unloading of goods, cargo handling equipment such as, forklifts, mobile cranes and skilled labour will be available at the fair ground, from the official CFAs, on hire. The rates for clearing /forwarding and other services will be settled by the participants with those agents directly, depending upon the quantum of work and kind of job required. The Official CFAs will have their offices at the site during the pre-exhibition period. **Please note that no agency other than the approved agency by CII is allowed to operate for handling /clearing jobs inside the halls earmarked for IETF 2025.**

The Official CFAs operate with modern mechanical equipment (*Fork lift, Cranes, Pallette Trucks etc*) and a specialised labour force of international standards. Through their international network, they will provide detailed shipping instructions and offer services to Exhibitors from the point of origin itself. Official Clearing and Forwarding Agents will offer to the Exhibitors, information and assistance in respect of (i) re-export, (ii) Warehousing, if exhibit is to be retained for further exhibitions etc. It is suggested that Exhibitors discuss their requirements with official agents and enter into comprehensive arrangements.

Normally cases / packets will be allowed, if carried in hand by the Exhibitor. However, handling of heavier exhibit cases will have to be entrusted to the approved agencies only. At the time of movement of exhibits, it is suggested that Exhibitors adhere to the programme prepared for the movement of exhibits by approved agencies. In no way will the Organiser be responsible for damages caused to Exhibits while loading/unloading at the site.

3. CUSTOMS CLEARANCE AT THE FAIR GROUND

India offers the ATA Carnet as means for clearing exhibition goods. Alternatively, goods can be cleared under simple Embassy Bonds, without financial overheads. Bank Guarantees is a third alternative.

4. TERMS AND CONDITIONS FOR TEMPORARY IMPORT

Under the Customs Notification No 3/89 dated 09.01.1989, import of Exhibits for **IETF 2025** will be allowed

without payment of Import Duty, Import License or Customs Clearance Permit, provided the Exhibits are re-exported within a period of six months from the date of import or any other period stipulated by the Customs Authority. Please refer pt. 5.4 of the Fair Facts (General Information) section.

The Exhibitor/Importer will have to furnish following documents to the Customs authority in India:

- Re-export Bond for ITC purpose
- Provisional Duty Bond to the extent of Customs Duty payable on the Machines/equipment at the prevailing rates.
- These bonds are required to be supported by a Bank Guarantee at concessional rates approved by the Collectorate of Customs or the Guarantee of the Embassy of the concerned country. Details of Bank Guarantee rates will be available from approved C&F Agency. The Exhibitors are advised to contact the approved agencies in this regard.
- India is a Member Country for ATA Carnet. The Indian Customs, therefore, will honour ATA Carnet Documents issued by the other Member Countries keeping aside normal Import Procedure such as taking Bonds and preparation of Bills of Entry etc.
- Sale of Exhibits imported for **IETF 2025** may be allowed against payment of Customs Duty at prevailing rates as per Import Policy and the Guidelines in force issued by the Reserve Bank of India.
- Official CFAs will provide the Exhibitors up-to-date information on rules and procedures for import of restricted or banned items.

5. **SALE OF EXHIBITS BY OVERSEAS EXHIBITORS**

5. 1 **General Information:** Exhibition goods, imported initially via Embassy Bond, ATA Carnet or Bank Guarantee, can be sold after the exhibition after following the procedure laid down.

The goods remain in the Customs Warehouse till such time as the buyers comply with sale conditions. The sale can be affected within the stipulated six months period and may be extended upon the discretion of Customs. On completion of sale, the Guarantee or ATA CARNET will be cancelled.

5. 2 **Liberalised Provision:**

- *Sale of Exhibits, of items which are freely imported:*
The items covered are Capital Goods, Raw materials, Intermediaries, Components, Consumables, Spare parts, Accessories, Instruments and goods other than those covered under the Negative List. Any of these goods, may be imported by any person whether he is an Actual User or not without restrictions.
- *Sale of Exhibits, of items which are in the Negative List.*

These may be made against a valid license. For these items, the actual user alone may import such goods unless the Actual User condition is specifically dispensed with, by the Licensing Authority.

5. 3 **Simple Procedures:** Following documents to be produced by buyers for Customs clearance of sold exhibits:

Bank attested invoices drawn on buyer

Packing List

Confirmation of order from Exhibitor

Mode of Payment

Technical write-up of solid items

Printed catalogue of items sold, if available

Buyer's importer Code No.

Buyer's GATT and Customs Declaration License if item under Negative List.

The buyer, based on the above documents, and through a Customs Clearing Agent, should submit necessary Bill of Entry for clearance of Goods. Upon completion of Sale Clearance and Payment of Customs Duty, the buyer can take custody of Exhibits. Upon producing proper and valid documents, the sale procedure can be affected within 2-5 days.

6. **EXHIBITION GOODS**

6.1 Connections to India: All major Airlines have connections to New Delhi.
There are regular freighter services with enough spare capacity.

All major shipping lines touch Mumbai, offering both FCL and LCL facilities.
Alternatives also available at Chennai and Calcutta Ports.

Modern handling facilities are available at Airports and Ports.

6.2 Connections to the Fair Grounds: On arrival at the New Delhi Airport, Exhibits are transferred by road to the Fair Grounds under bond. On arrival at Mumbai / Kolkata / Chennai Ports, Exhibits are transferred by rail or road directly to Delhi, again under bond. Transfer time is approximately four to six days by road.

6.3 Post Exhibition: Goods can be sold after the exhibition, to buyers complying with regular import procedures. Goods may be taken for other private demonstrations, subject to permission from Customs. Consumables like printed matter, literature, pamphlets etc attract no duty. If not being sold or kept for further demonstrations, goods to be re-exported within the stipulated period. Mode of transport for re-export need not be the same as that of import.

Annexure I

7. APPROVED ON-SITE HANDLING CHARGES

On-site Tariff for IETF 2025

Approved Tariff

The following tariff card / rate is approved for on-site freight handling by Freight Forwarders

S No	Description of Works	Tariff (in Rupees) @
		Up to 2 tonns
1	Off Loading & shifting to stand per 500 Kgs (Minimum)	380
2	Unpacking & placement per 500 Kgs	380
3	Repacking with same packing material	380
4	Removal from stand and loading on vehicle in one operation	380
5	Removal of empties to storage and return after the closure of the exhibition	380
6	Heavy lifts charges Single piece (extra charges)	2001 to 4000 Kgs - 15% 4000 to 10000 Kgs - 20% above 10000 Kgs - 25 %
7	Hire Charges of Equipment	
	Hydraulic Pallet Truck – (per hour charges)	190
	Fork lift - 3 tonns (per hour charges)	450
	Fork lift - 5 tonns (per hour charges)	650
	Crane - 10 tonns (per hour charges) (Minimum 1 Hour)	1100
	Crane - 15 tonns (per hour charges) (Minimum 1 Hour)	1400
	Crane - 20 tonns (per hour charges) (Minimum 1 Hour)	1700
	Crane - More than 20 tonns	Quote upon request

	Skilled Labor - (per hour charges)	150
8	Night charges (Applicable from 2100 hrs to 0800 hrs)	25%
9	GST	18%

TERMS AND CONDITIONS

- It is compulsory on part of the Exhibitors to Use Services of Approved Handling Agents at the Exhibition Venue. The packages which can be easily carried in Hand (package not exceeding 50 kg each) can be handled by the Exhibitors on their own, if they wish to do so.
- Exhibitors should advise transporters to carry "**Weigh Bridge Certificate**" so that, there can be proper assessment of the weight to be handled by the agency.
- Exhibitors should send product leaflets along with the packing list to the approved agencies to enable them to study the product in advance for proper handling at the venue.
- Charges for storage of empty cases are for the entire duration of the show.
- The exhibitors are not allowed to order equipment for assembly & erection work from outside.
- For volume shipments 1CBM – 335 Kgs.
- In case the machine is bare on the base, the removal of the base would be treated as unpacking & would be charged accordingly.
- Please note that all mechanical handling equipment will be made available on venue on Prior intimation and requirement only.

HANDLING OF EXHIBITS, CUSTOMS AND IMPORT PROCEDURES

The official Clearing & Forwarding Agencies would assist in handling & completing customs formalities, if required. Exhibitors would be required to contact them directly for such assistance.

STORAGE OF EMPTY CASES

Storage facility both for Indian and Overseas participants will be provided by the official Clearing & Forwarding Agency on request as per schedule of rates. Empty cases will not be allowed to be kept anywhere in the venue area. These will have to be removed at least 24 hours before the opening of the Fair failing, which CII will have the right to remove the material and will keep this in the store and bill the concerned participants accordingly.

Additional Information

1. FIRE & SAFETY REGULATIONS

Firefighting equipment will be provided at various points in the exhibition halls. Exhibitors are, however, advised to take due precautions and provide necessary equipment in their own stalls. Exhibitors should also install Guards or Protectors on Machine/Exhibits during demonstrations to avoid injury to visitors. Fire Tenders with firemen will be on duty round the clock near the Exhibition Hall.

- a) All exit / entry areas and exit aisles must be kept clear and unobstructed.
- b) Compressed gas cylinders are prohibited in the exhibition area.
- c) All temporary wiring must be accessible and free from debris and storage material.
- d) No storage of any kind is allowed behind booths or near electrical services.
- e) All empty cartons and crates must be labelled and removed for storage.
- f) Helium balloons are not allowed inside the halls.

Note: Smoking is strictly prohibited inside the exhibition halls during set-up, show days and dismantling periods.

2. PROTOCOL

Exhibitors are advised to send details of their most important guests with programme of their visits well in advance to facilitate their visit to the Fair.

3. VISITOR REGISTRATION AT GATE

Organiser has made arrangements for registering each business visitor to the **IETF 2025**. Registration Desks will be located outside Gate 4,5 & 10.

4. PHOTOGRAPHS / VIDEOS

The Organiser has exclusive rights to take photographs and films of all Exhibition stalls. Prior permission of the Organiser will be essential for taking photographs and films by the Exhibitors. The Exhibitors can, however, take photographs of their own stall and visitors to their stands.

5. LITERATURE / FILM / AUDIO VISUAL DEMONSTRATION

Exhibitors are requested to refrain from displaying Videos /films / Literature that may be considered politically or culturally objectionable or incorrect.

The Organiser is empowered to remove any such display material in order to facilitate a smooth conduct of the event.

Cargo Handling Equipment's will be made available at the venue by the approved agencies for handling and clearing on hire basis for Loading / Unloading of Goods and heavy Exhibits. The rates for Clearing / Forwarding and other services will be settled by the participants with them directly depending upon the quantum of work and job required to be done. The Official C&F agency will have a site office at the venue during the pre, during and post exhibition period. Please note that NO AGENCY other than the approved agency by CII is allowed to operate for the handling / clearing job for at the exhibition venue.

Exhibitors are requested to contact them for obtaining names, addresses, etc. of their associates in their areas. Official clearing and forwarding agent will offer to Exhibitors information & assistance in respect of

- (i) Customs- import and export formalities
- (ii) Octroi exemption & formalities
- (iii) Repacking & re-export
- (iv) Warehousing. It is suggested that Exhibitors discuss their requirements with official agent and enter into comprehensive arrangements.

The Exhibitors should pay the concerned agency directly for their services. Hire of labour from an outside agency will not be allowed in the exhibition venue.

Normally cases weighing up to 50 kgs will be allowed to be hand carried by the Exhibitors themselves. However, handling of heavier exhibit cases will have to be entrusted to the approved agency only. At the time for setting up and movement of Exhibits, it is suggested that Exhibitors adhere to the programme prepared for the movement of exhibits by approved agency.

**Fascia Text
 for Built-Up Space**

FORM

Deadline
31st January, 2025

To be completed and returned by those exhibitors who have booked built-up space.

A. FASCIA NAME Please give below the name that you require on fascia. (Maximum 25 letters for a fascia of 3.0 mtrs in length. Only standard lettering will be used.) Logos will not be allowed on the FASCIA. If the exhibitor fails to meet the deadline, the Organiser will have no option but to incorporate the name of the company on which the booth is contracted. **Any request for change in the fascia name after 31st January 2025 will be accepted on payment of extra charges Rs. 1000 / US\$ 25 per fascia side.**

Please use Block Letters.

ADDITIONAL FURNITURE: All built-up stands will be equipped with side and rear partitions, basic furniture, light fixtures, synthetic carpet inside the booth and fascia with fascia name. Exhibitors are advised to contact the stand contractor for additional furniture and electrical fittings. Concerned stand construction agency will supply additional furniture in their stand and deal directly with exhibitors on financial matters.
